HHS Composed of Many Faces

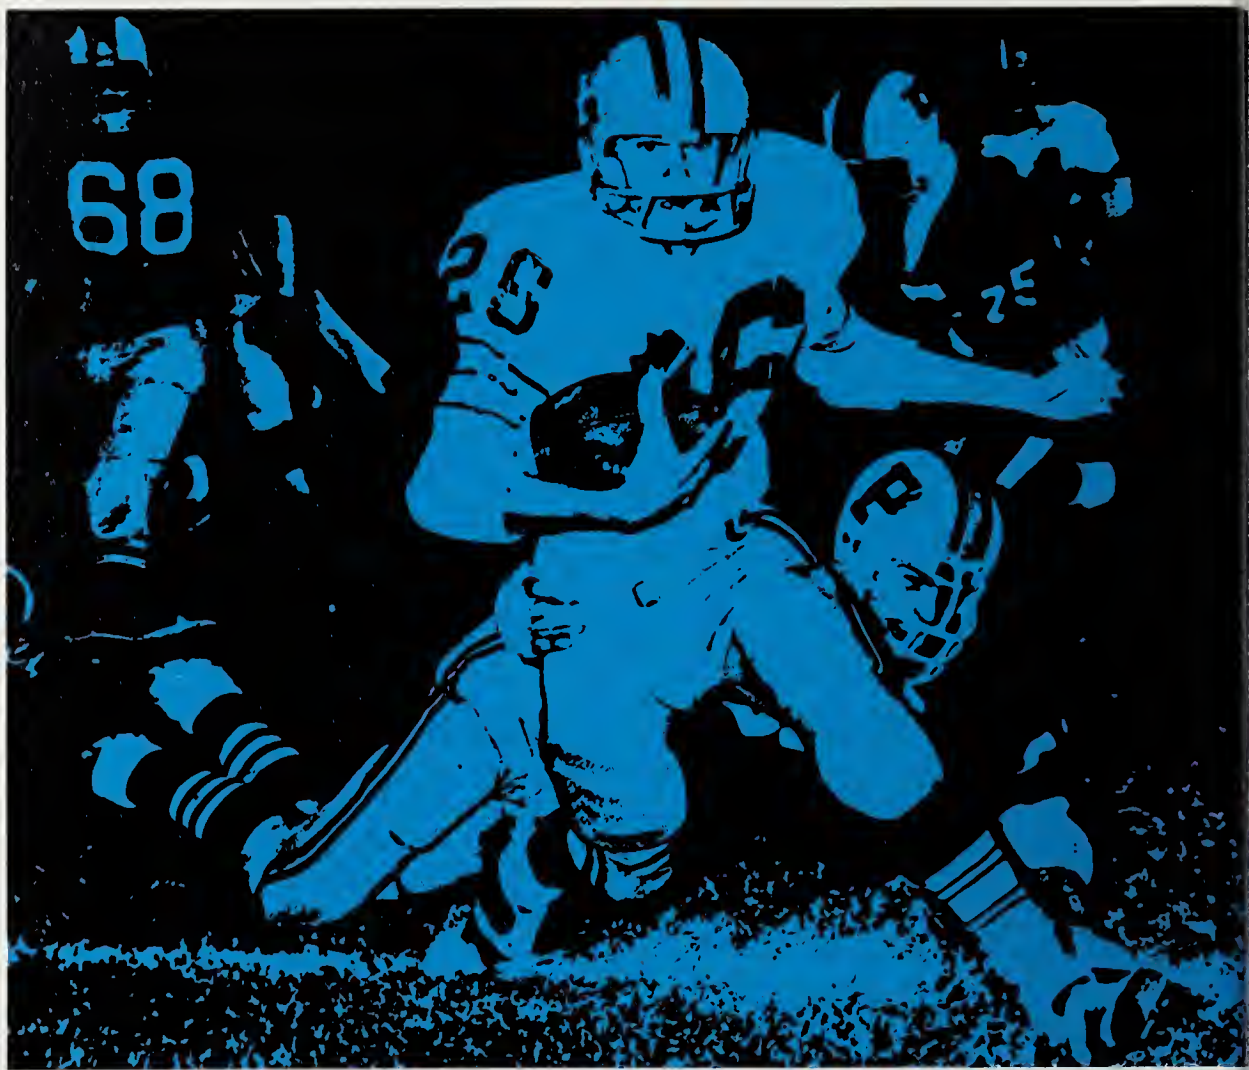

Hopewell High School has many faces. On the surface it appears as just a typical school where young people are taught. However, upon closer examination the observer realizes that the outward face of HHS masks the myriad of faces on the inside.

"The Thrill of Victory, The Agony of Defeat"

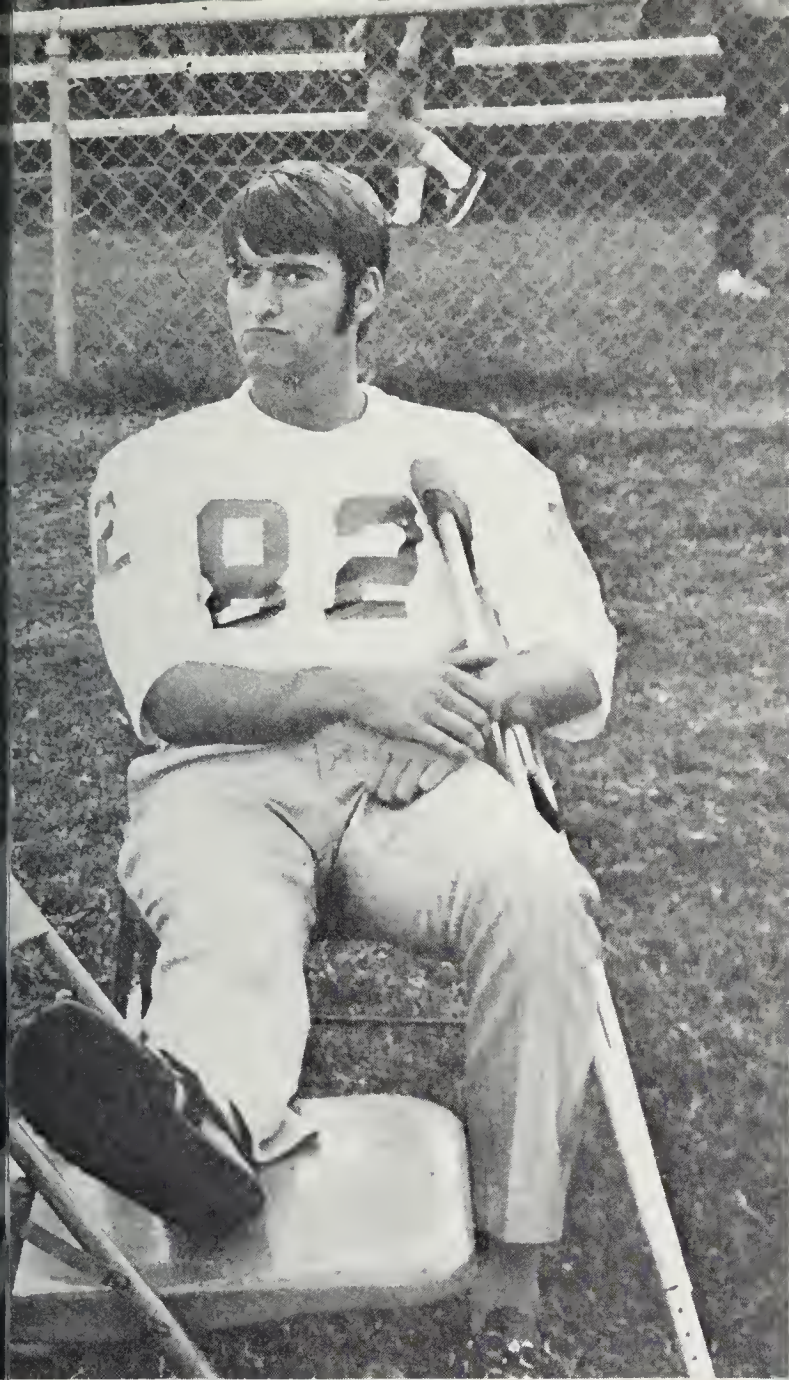

Sports is one of the strongest faces at HHS. No matter what the contest, determination and desire are mirrored in the expressions of our teams. Regardless of the outcome, fans always remember, "It's not the size of the Devil in the fight, it's the size of the fight in the Devil."

Twirp week, banquets, sideline glances, pep rallies, dances, and VICA's special trip to Washington at the request of President Nixon are more faces of HHS. These views are the inside forces which make HHS the great school it is.

Malvin Utleve — Face of Dedication

Business goes on as usual in the early morning hours.

Every once in a great while, you run across someone with whom you are so impressed that you cannot forget. He has certain qualities that catch your eye as soon as you meet him, and it is not until later when you get to know him that you fully realize the true inside character of this person.

His time is not spent on just himself; you constantly will find him with others — helping, giving, and most important, sharing.

The dedication of a yearbook is something special. The person is uppermost in the minds of the staff and other people. Mr. Malvin M. Utleve, our beloved sponsor, is such a man.

Mr. Utleve has done so much for the school, the Kaleidoscope, and VICA, that it would be impossible to list the appreciation and love that everyone has for him. Every organization that has had Mr. Utleve's interest has also gained his time, effort, and generosity. Without his guidance, clubs would not have flourished as well as they have. For this reason, and many others, we dedicate this year's Kaleidoscope to Mr. M. Utleve.

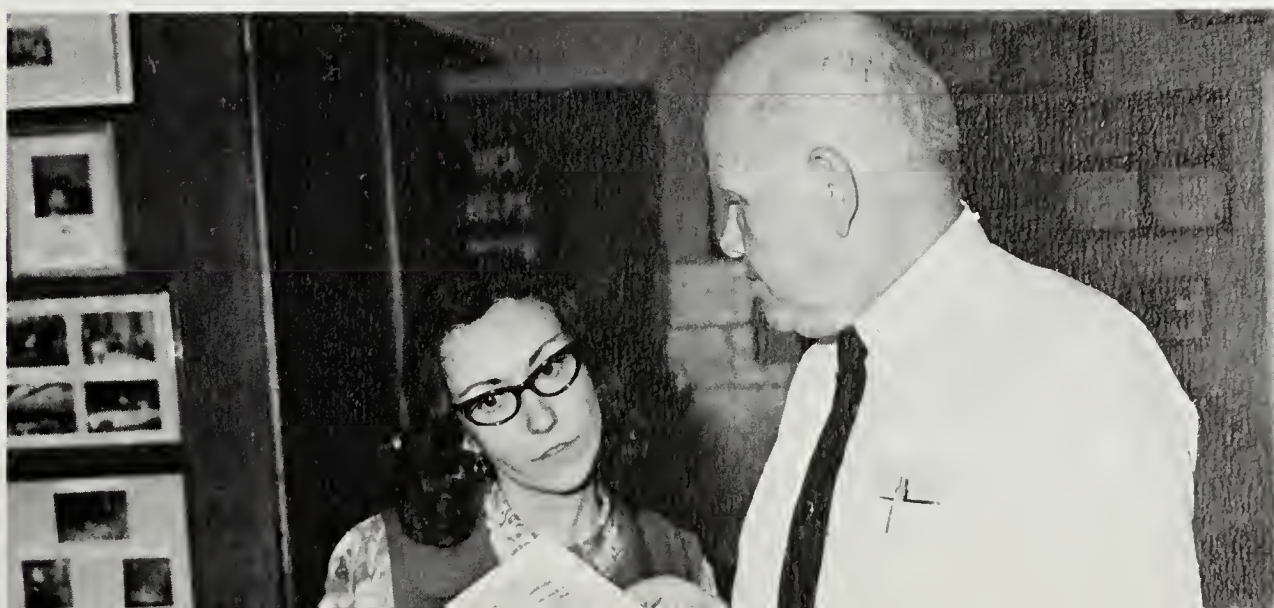

Taking time for a break, Mr. Utleve enjoys lunch.

Our sponsor is never too busy for a little fun!

Teamwork is vital as shown by Mrs. Lampman and Mr. Utleve.

ACADEMICS

Mirrored in the faces of teachers at HHS, a student sees guidance, discipline, and instruction. The teachers themselves devote time to bettering the youth through school and extracurricular activities. Teachers are people and their emotions often enter into whatever they happen to be doing. Each face expresses his or hers individuality and lends reality to a world of dittos and carbon copies. Happiness, anger, despair, and excitement combine to form the faces of Academics.

School Board — Staff — Administrators Provide Essentials

Strong leadership is necessary for forming a solid background for a thriving school. Our school board, staff members, and HHS administrators provide the essentials for the functions of an active school and student body. Aiding our administration, efficient secretaries are on hand to help out when needed. While developing HHS to its fullest potential, these administrators have helped to keep things running smoothly.

Counselors Help Plan Productive Year

Eunice G. McCall

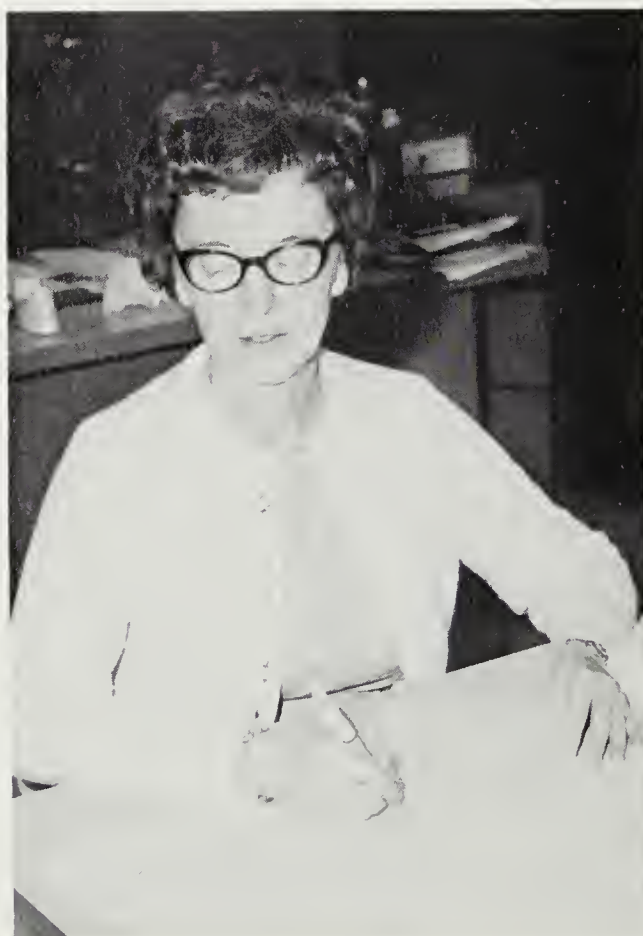

Helen D. Agrella

Rescheduling, planning special tests, and listening to individual problems are just a few of the many duties performed by our guidance counselors. These busy counselors start the year by untangling mistakes on computer schedules, registering students for PSAT's and college boards, and making plans for college and careers. A battery of tests is administered to members of our student body each year in an effort to check their achievement and improvement. Offering the best advice and suggestions to aid the students of HHS, the counselors are instrumental in the planning of a productive year.

Study halls offer opportunity for research, study, and for free time in a busy, academic day. the nurse's attention is constantly sought to tend our physical needs while the maintenance staff helps keep our school in perfect working order. A "Thanks" is due our cafeteria for providing the sustenance necessary to complete each day.

Communication — Key Word For English Study

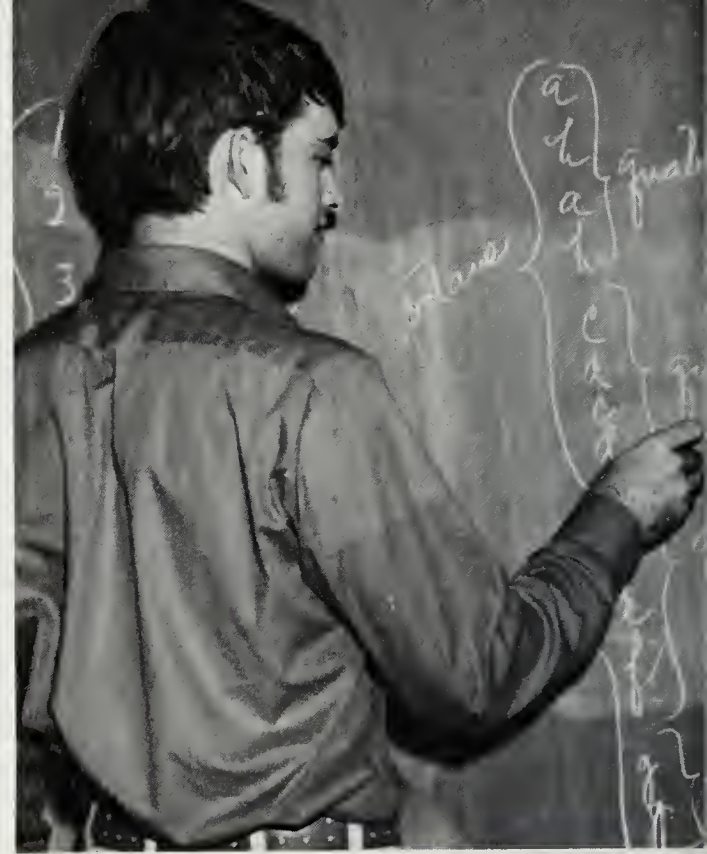

Betty A. Clarke

Gerald W. Nichols

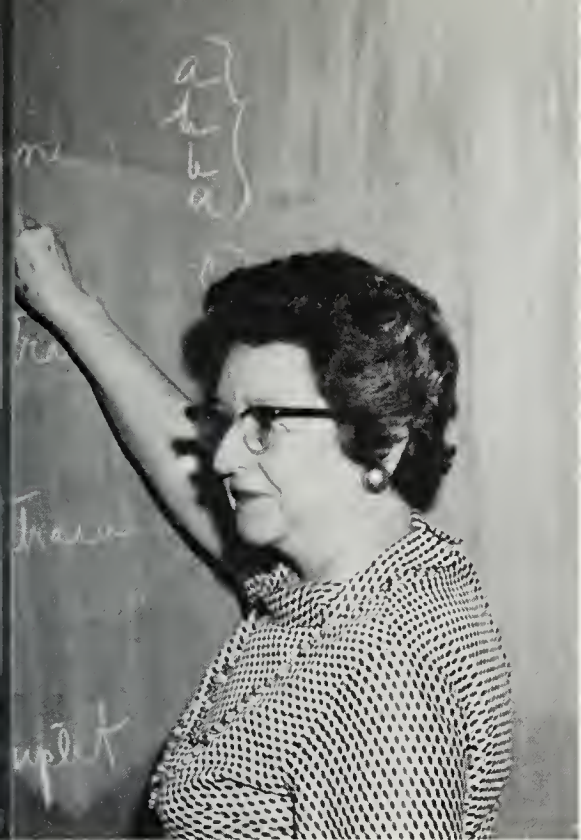

Communication is the key word in the study of English today. Teachers strive to enlighten their students concerning the difficulties and enjoyment of studying the English language. Beginning with the fundamentals of writing, students then proceed to study various literary techniques and finally approach the field of American and English literature. In addition to the four years of required English courses, students may elect to take speech, especially designed to further stimulate communication and comprehension which are essential both in and outside the classroom.

Home Ec Offers Key to Domestic World

Future homemaking is becoming important for the students of today. Through home economics girls and boys receive first hand experience in the domestic arts — sewing, cooking, and housekeeping. Emphasis is placed on care and management of the home, giving a broad view of the essentials of management and touching lightly on each branch of housekeeping, in an attempt to enable the student to take his place in the domestic world of tomorrow.

A solid mathematical background is needed by college bound students, as our math department realizes. The first step in accomplishing this goal is to teach freshmen the x,y,z principles of algebra I. Squares, triangles, and circles come into focus in geometry. Algebra II and trigonometry are more in depth studies for serious students of math. Just as important in many cases is the task of providing students with a general knowledge of math.

Social Studies

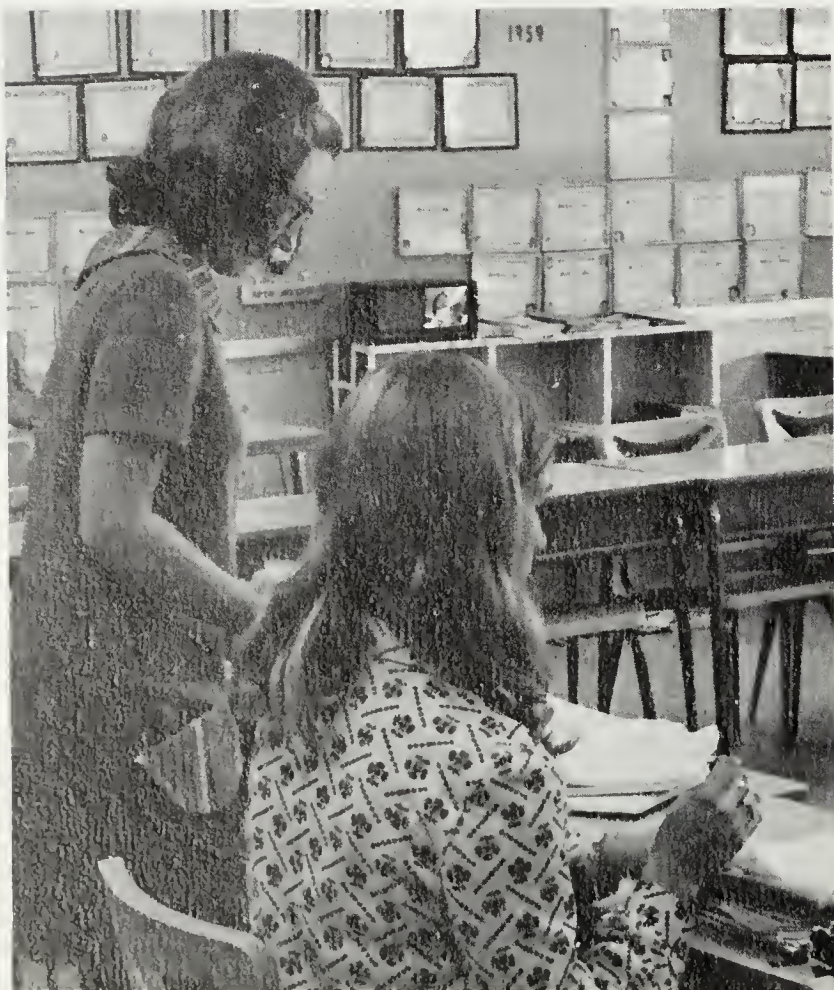

Joseph A. Blanks

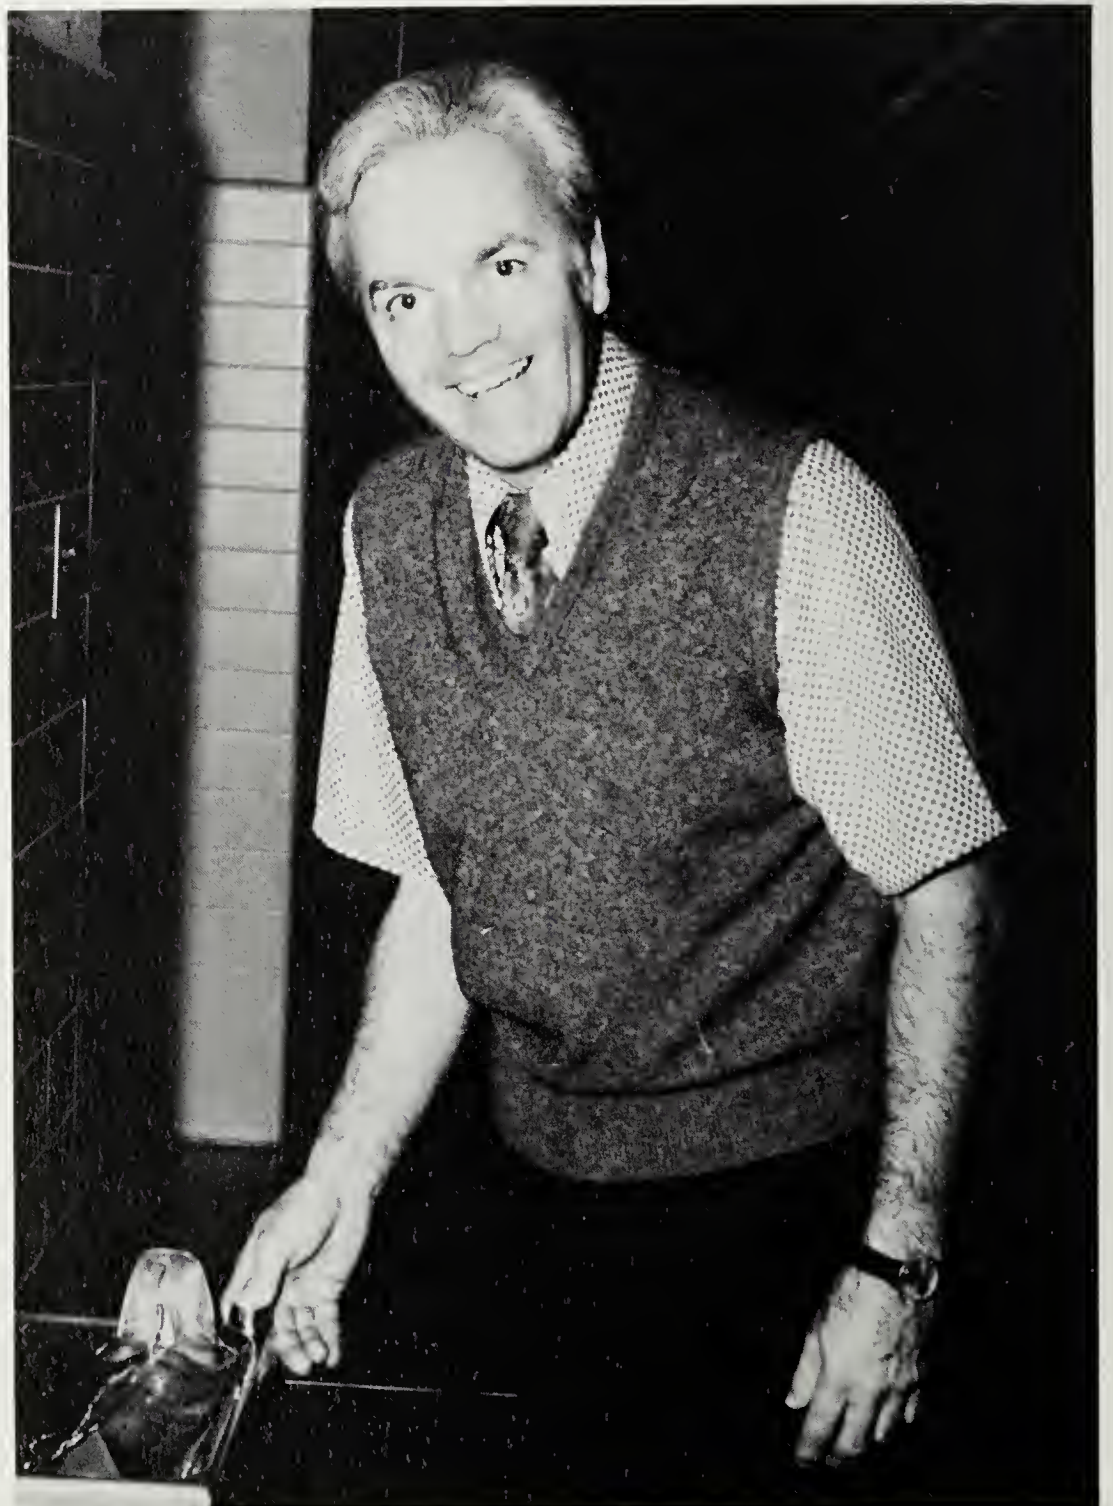

In our present, contemporary world, it is necessary to become acquainted with the records, thoughts, and cultures of many countries and civilizations. By stressing understanding, rather than memorizing, the history department attempts to offer more than mere facts in the study of the past. In geography classes, students compare foreign cultures and countries with their own, while government students gain invaluable information about the functions and practices of their own government. All social studies classes are designed to help students become good citizens of tomorrow.

Science Acquaints Students With World

Receptive minds enrolled in the Science Department attempt to master the infinite odds and ends of the science world. Basic theories and processes are taught in physical science. Dissecting a frog and constructing projects are elements of the biology courses. Chemistry classes try various chemicals in laboratory work hoping for the desired results. The bang of falling objects may be heard many times in the physics lab. With the basic knowledge gained through science, one becomes better acquainted with his surroundings and can progress more successfully in it.

Foreign Language Basic For World Communication

Frances B. Gilliam

Felina N. Roine

Mercedes Sais

In a world that is constantly becoming smaller, the knowledge of languages is basic to all human relationships. The study of foreign language is essential for global communication and future worldwide understanding. No longer is foreign language just a study of written and spoken languages. Today's linguist must become acquainted with a country, its customs, and its place in today's world. Through language, HHS students are ready to take their place in the multi-lingual world of tomorrow.

Creativity and Culture Goal of Fine Arts

In the Art and Music Departments, students are able to express creative and cultural interests, leading to a better understanding and appreciation of the fine arts. Students at HHS are offered a wide variety of music courses. By taking band, choir, or the new course in elementary guitar, one may develop his talents and at the same time thoroughly enjoy himself. Acquiring skills in drawing and painting as well as developing appreciation for art in general are high on the list of objectives which are standard for art students. Under the constant attention of teachers who are willing to give of their time and talents, fine arts excels in cultural enrichment, striving to enhance and uphold the standards of HHS.

Instruction and Equipment Provide Replica

Unlike many educational courses, the Business Education Department prepares the student for immediate occupation of a wage earning position upon graduation. By the use of modern, carefully chosen equipment, each pupil is able to discover which areas of study most interest and best suit him. The Business Department endeavors to maintain a replica of the complex business world, thus attempting to mold the today's business society.

Giving students new preparation in the working world of today, the Trade Preparatory Department offers excellent learning opportunities to students who wish to seek careers in such fields as power mechanics, machine shop, and electronics. In conjunction with trades is the continuously growing field of industrial arts. Mechanical drawing and graphic arts have become increasingly important, and this year many girls are finding that the training they receive will prove invaluable in the highly industrialized world of tomorrow.

ICT and DE Offer "Learning and Doing"

Designed to provide a "learning and doing" situation, Industrial Co-operative Training and Distributive Education meet the needs of many HHS students. In both programs, on the job and in the classroom instruction mean a head start in careers. Vocational training opportunities and part time employment are offered by ICT at such firms as hospitals and newspapers while the DE program is coordinated with local merchants. Both programs offer students the opportunity of deciding their own futures.

Competitive Achievement Stressed by PE

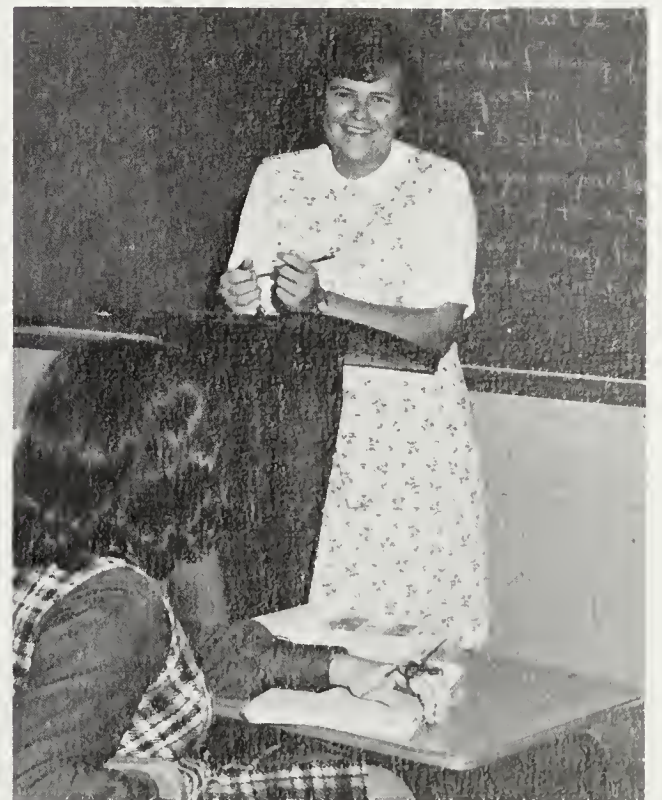

Pamela L. Hanzlik

James D. McGuire

By stressing competitive achievements, physical education also attempts to develop mental awareness. The varied facets of physical education are important to every student during his high school career and have great influence on his future life. If one acquires an attitude of good sportsmanship plus a competitive spirit, then he has attained two qualities necessary for success. Combining these essentials with a practical knowledge of drivers' education and first aid, the individual is well-equipped not only for compatability, but also for helping his fellow man.

Faces of . . .
ACTIVITIES

Clubs, organizations, and groups all have the same basic thing in common — people. These people actively work together for a common purpose and goal. The desire to serve is shown in their faces. The prospect of new ideas and events has never failed to encourage people, whether it be a bonfire to promote spirit or a class meeting to organize the events of the coming year.

Kappa Lambda Promotes Character

Junior and senior girls who strive to "create, maintain, and extend" the high ideals of Christian living make up the body of the Kappa Lambda Tri-Hi-Y at HHS. Through clean speech, sportsmanship, scholarship, and living, the members spread these ideals to the home, school, and community. This year for the first time Hopewell hosted the Eastern District Conference. Many long hours were spent on making this the best conference ever, and it was a big success.

Presiding over the Hi-Y — Tri-Hi-Y District Conference was Beth Reese, President of Kappa Lambda.

The Jr. Tri-Hi-Y is composed of freshman and sophomore girls who strive to set an example to others. These hardworking girls take pride in their club and the ideals that it stands for: "The only way to have a friend is to be one."

Service — Key Club's Main Concern

Service is the “key” word and the first and last concern of the Key Club of HHS. Sponsored by the Hopewell Kiwanis Club and composed of sophomore, junior and senior boys, it strives to serve the school, the community and the church. The Key Club aims toward developing its members spiritually, morally, and intellectually. The members promote good sportsmanship and exhibit high standards in all aspects of their school life.

Key Clubbers collect for the March of Dimes, operate a concession stand for home basketball games and serve community needs.

Because it is a most active organization of HHS, its members are noted as being among the outstanding young men of Hopewell High School.

At a meeting of the Key Club, the members attentively listen to their guest speaker, Mike Mahaney.

Hi-Y Creates, Maintains, Extends High Standards

"To create, maintain, and extend, throughout the home, school and community, high standards of Christian character" is the goal of the members of the Hi-Y of HHS. The Hi-Y is the high school branch of the YMCA. Composed of boys in grades nine through twelve, the members strive toward this goal through their participation in school and community activities and projects, such as the exchange of the friendship trophy with Petersburg, collection for the March of Dimes, and preparing the HHS student directories.

New York is the magic word to the Art Apprentices. Throughout the year these students sell their creations while dreaming of their trip in the spring. Spirit flowers, Christmas decorations and the annual art show are just a few of the projects to which the Art Apprentices devote many hours of hard work.

Many other clubs of HHS depend on the help of the Art Club members. In the fall, volunteers painted scenery for the production of "Once Upon a Mattress", which were beautiful and greatly appreciated by all.

The officers of the Art Apprentices are: Connie Poirer, Treasurer; Perry Hill, President; Mellie McDowell, Secretary; and Miss Taylor, Sponsor.

Art Club members meet regularly in the art room to discuss the projects that are planned. The members of the Art Club are expected to work often and willingly on these projects throughout the year. In the spring, all the hard work is recognized.

Forensic Members Bring Home Tournament Awards

Mrs. Farnsworth, sponsor, proudly displays an article concerning recent debates.

Team member Perry Hill takes his turn at the podium.

Debating means much to the members of the Forensic Society. The members attend workshops, and participate in many tournaments throughout the year. These students do a lot of hard work in preparing for debates, but each member enjoys his research and the results of his participation in debates. Some of the places that the members attend are the University of Virginia, the Longwood Invitational Tournament, and the Central District Debate Tournament. Every year HHS students bring home many awards from these tournaments.

Ed Crews practices his debate tactics on Sharon Akers.

Clubs Practice Languages out of Classroom

Helping to give students at HHS the opportunity to practice the languages outside of the classroom are the purposes of the language clubs.

Members of the Spanish Club learn the customs, arts, and literature of Spain and Latin America.

French Circle members meet to travel to France via slides, movies, and guest speakers. These clubs draw the students closer to the language they are learning to speak, thus giving them a better understanding of the country from which their language comes.

Students of Latin gain a greater knowledge and understanding by attending the meetings of the Latin Forum. Sponsored for years by Mrs. Frances Gilliam, the Latin Forum is one of the most interesting organizations at HHS. Students who are or have taken Latin meet to learn of ancient Rome and the way of life the Romans knew. All look forward to the banquet at the end the year in which the members dress in costumes of ancient Rome and choose an emperor and an empress.

VICA ranks No. 1 in Nation

Members of the Vocational Industrial Clubs of America share the mutual problems and experiences of today's complex technological society. To meet a demand for technically skilled workers, VICA provides an opportunity for students to train in the professional field of their choice.

VICA's most important activity is its participation in the district and state conventions. Each year members of the club bring home many honors to HHS. The club deals mainly with organizing vocational students, but it does help with other school activities, such as the preparation of baskets for the needy at Thanksgiving and Christmas.

VICA's participation in local and state affairs earned them the title of Number One club in the nation.

The members of this club are aware of the importance that science plays in their lives. Each year these members visit a nearby industrial plant and several members take a trip to the University of Virginia.

Honor Council: first row: D. Honaker, H. Youngblood, S. St. Clair. Second row: K. Conover, J. Wells, W. Burrow.

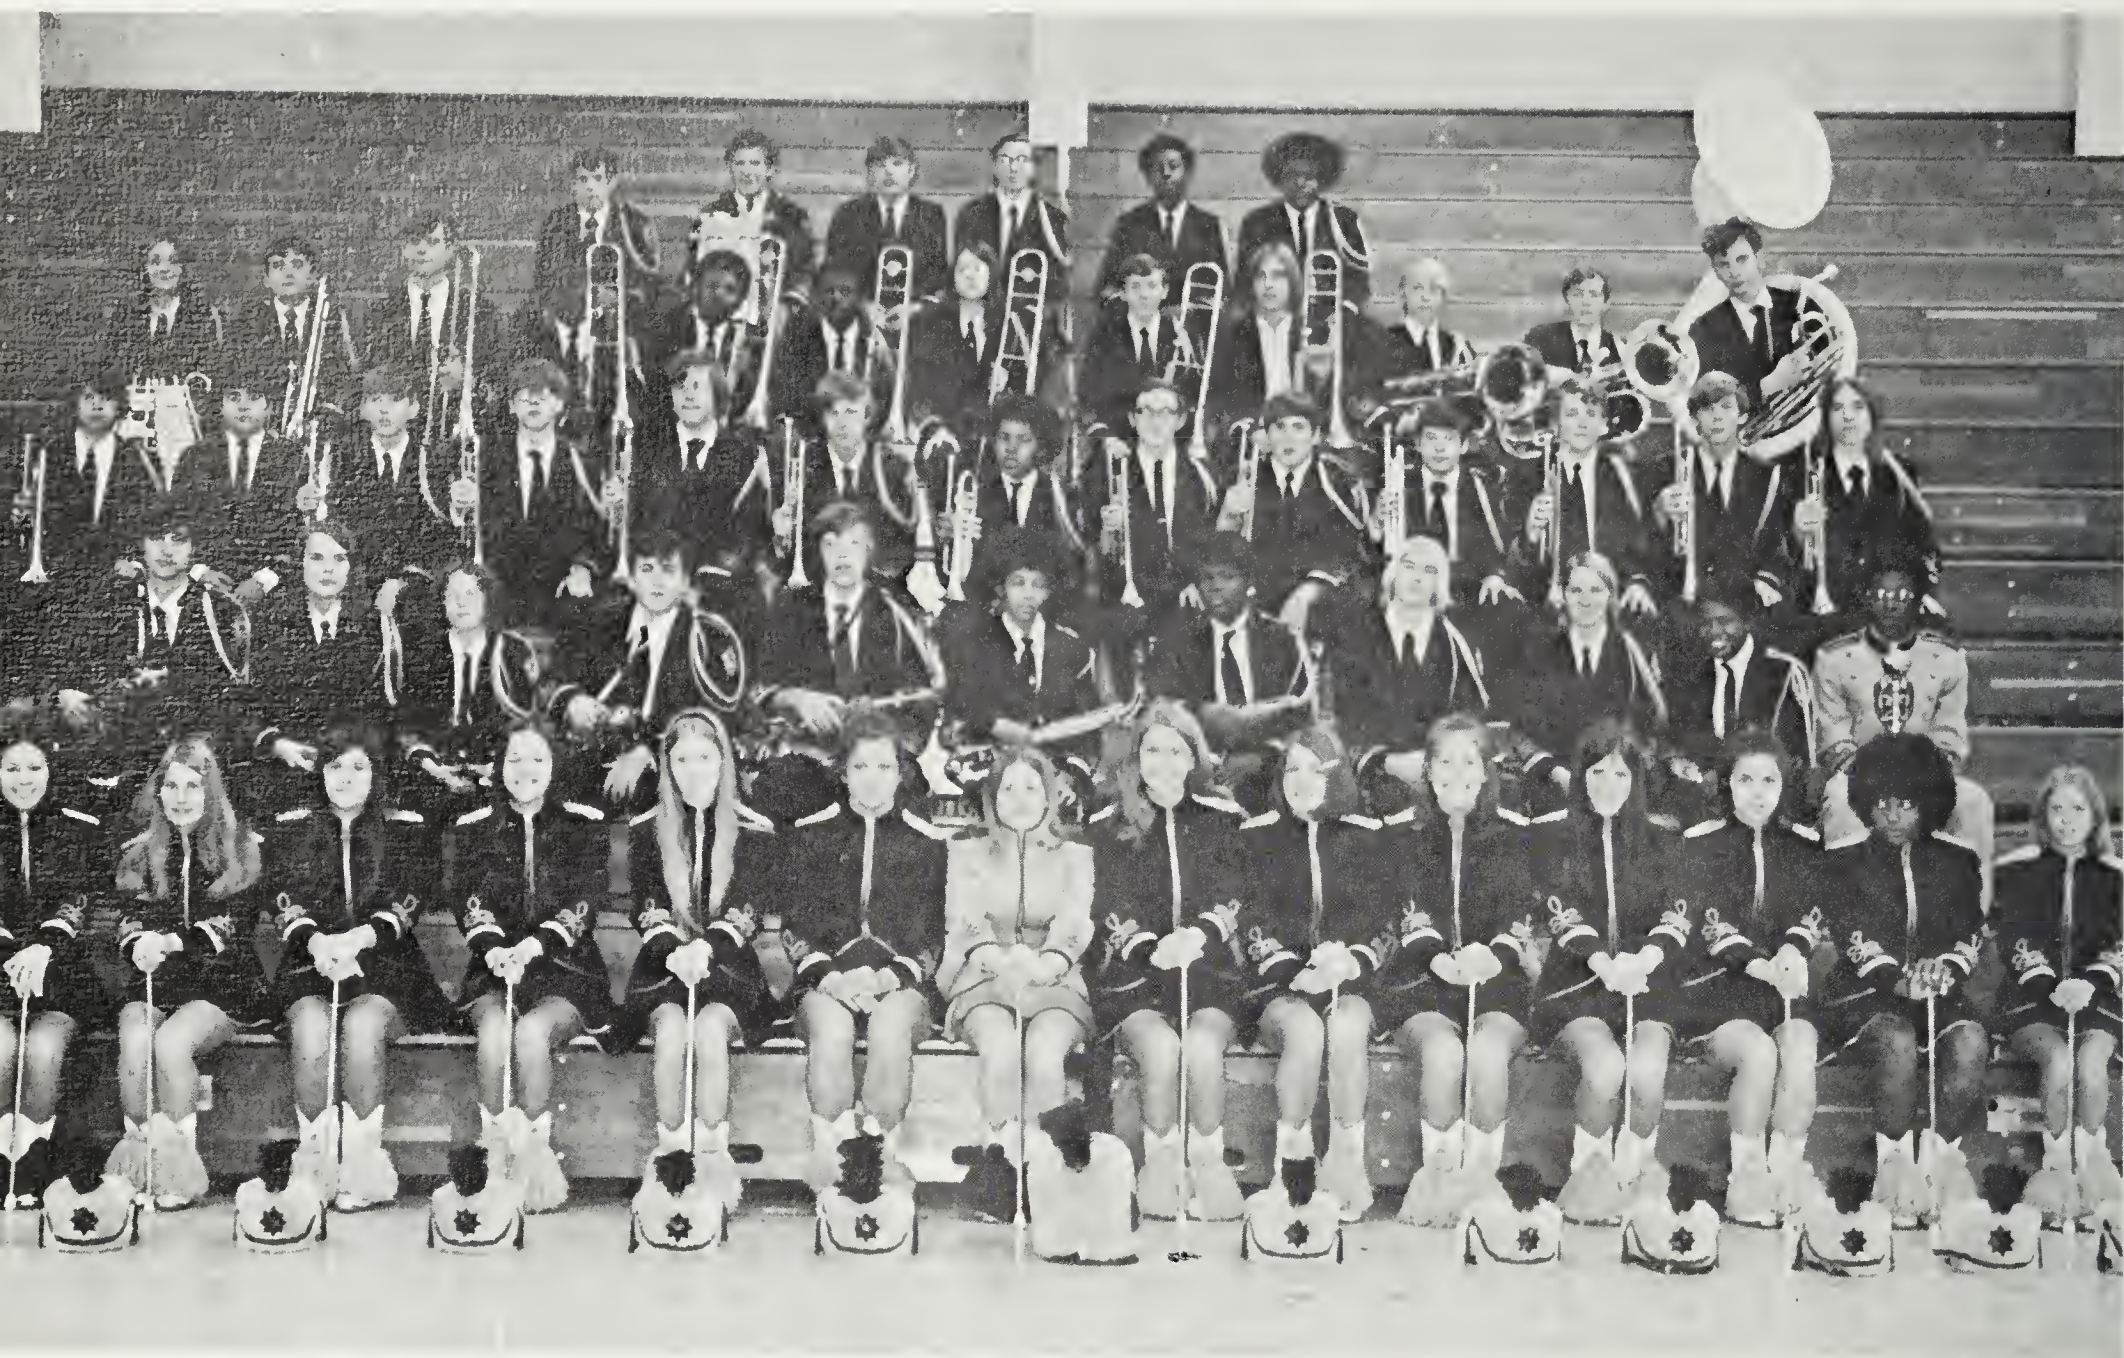

Functioning under the HHS Honor Code, the Honor Council acts as a jury for those students charged with dishonest or destructive acts. Composed of a representative from each grade level, two representatives from the National Honor Society, and the vice-president of the SGA, the council needs the support of the entire student body to work effectively and responsibly.

Another group, the Student Advisory Council, meets weekly for the purpose of discussing and solving racial problems which may arise in a school such as HHS. The council consists of four representatives from each grade level, two blacks and two whites, who work together to bring about better and more meaningful relationships among the students.

HHS majorettes help promote Christmas spirit in the annual Christmas parade.

Majorettes add a little "Joy to the World" at the pep rallies.

In their support of school and community functions this year, the HHS majorettes have put forth a tremendous effort. During half-time performances with the band, these girls have made use of such accessories as fire batons, hats, canes, and smiling faces. Along with their participation in Hopewell's parades, the majorettes also attend basketball games to add to the school spirit. Led by head majorette Billie Saunders and her assistant, Jan Kearchner, these spirited girls add to the enjoyment of all who have the opportunity to see them perform.

Billie Saunders, Donna Rigney and Jan Kearchner performed at various halftime shows during football season.

Along with their usual singing performances, the Magpipes have turned to dramatic performances as well; this year's Magpipes appeared in conjunction with the Old Blue Players in the production of "Once Upon a Mattress". Various community and school appearances, including the annual Christmas and spring concerts, have kept the lively and talented students and their sponsor, Mrs. Madeline Atkins, exceptionally busy. Aiding her in the efforts of the group this year have been the student director and choreographer, Beth Goldberg, and Karen Green, the accompanist.

Sponsor "Maggie" skillfully demonstrates a basic step for Magpipes.

Magpipes perform a snappy routine to the tune, "Jingle Bell Rock."

Their appearances include the annual Christmas and spring concerts, the school Thanksgiving and Easter assemblies, and an Easter Sunrise service.

Along with the capabilities of the officers elected by the student body, the organization has the leadership of its sponsor, Mr. Jerrell Sober. The main purpose of the SGA is to provide for all students to air their views through their representatives, and also through the occasional open meetings, in an attempt to reach decisions agreeable to both students and administration.

CLASSES

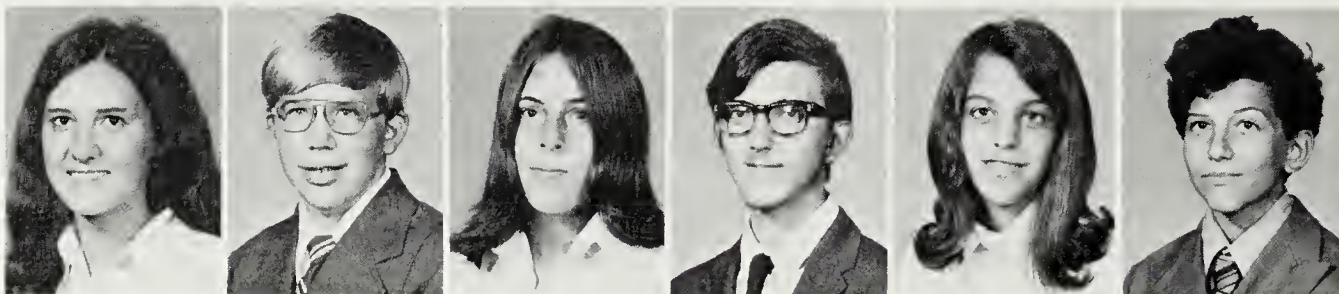

Daily routines of school are portrayed in the faces of the students. School may be a Monday through Friday affair, but the happiness of each day vary as much as each individual in the school. With each different event comes the planning, preparing, excitement and turmoil usually experienced. Every student reacts in a different way and this is typified in the face of each.

Freshmen Newcomers Learn Old Traditions

Confronting the Freshman is the excitement and the anxiety of entering high school. The newcomer finds himself in an unfamiliar situation with hall confusion, academics, and extra-curricular pursuits. The ninth grader soon realizes that in order to excel he must not only follow the advice of teachers and upperclassmen but also rely on his own judgment and ability. At the beginning of the year an orientation day was held to introduce the incoming student to his new world.

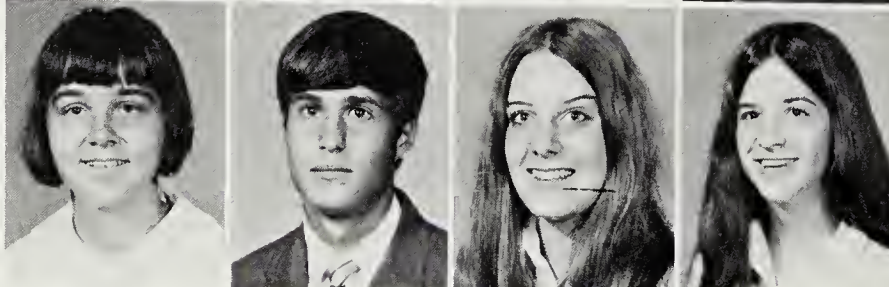

Having no major project, the freshman used the spirit gained from upperclassmen to aid his class and school. During this year the freshman begins to take his place in the world of H.H.S. Whether cheering the Devils to victory or helping monitor in the cafeteria, the freshman always lends the expected support.

Homecoming Float — Project of Class of '74

Chosen as Sophomore Class officers were: President Sammy Rasnick, Vice President Elaine Shawkey, Treasurer Bill Stephens and Secretary, Molly Claiborne.

With a year's experience in his favor the Sophomore is better able to apply himself not only to scholastic endeavors but also to extra-curricular activities. Perhaps the most unique year of high school, the tenth grade marks the turning point, where the student can no longer be led, but must strive forward on his own initiative. He must pause to consider his progress and make certain decisions relevant to his future.

Sponsoring the Sophomore Sweetheart Dance, a car wash, and a Homecoming Float entry, the Sophomore is given the opportunity to accept considerable responsibility. This is necessary as the tenth grader makes one more step toward that final year.

Junior Year Brings Many Activities for Class of '73

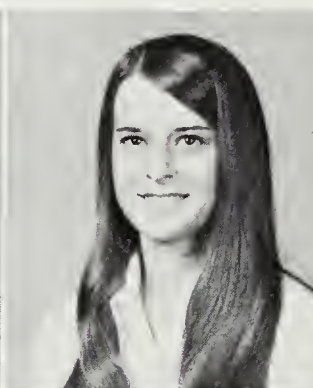

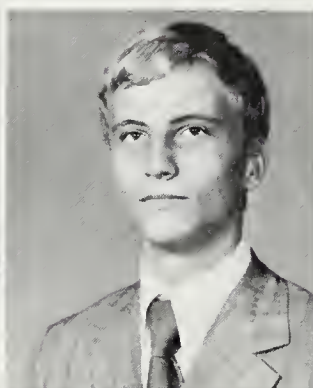

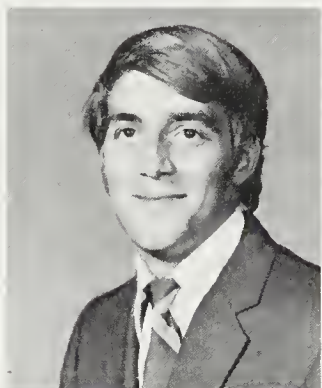

Approaching the end of his high school career, a member of the junior class begins to concentrate his activities on the not too distant graduation. While the scholastic aspect of school life becomes increasingly difficult, extra-curricular pursuits become more numerous. Taking the PSAT in October and later reading catalogues, the college-bound junior examines various institutions, seeking the one which suits him best.

Becoming financially able to present the senior class with a dance is the main goal of each member of the junior class. Money making projects include a Junior Miss-ter Pageant and the annual Miss H.H.S. Pageant in early spring. At the annual Junior-Senior Prom each Junior thankfully realizes that he is soon to enter that final Senior year.

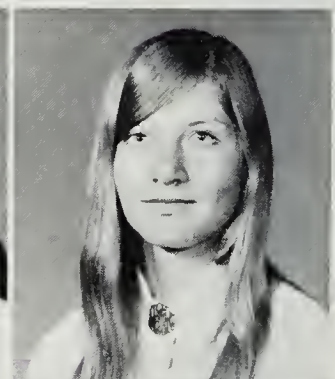

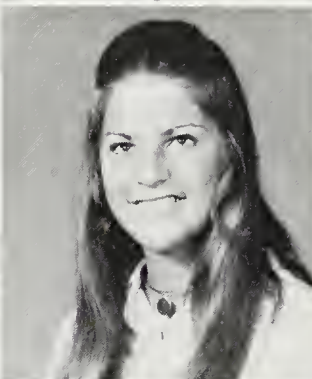

Junior Class Officers were: President B. Pershing, Treasurer W. Billingsley, Secretary R. Garrett, Vice President S. Clayton.

1972 — Result of Four Grueling Years

With graduation as a soon to be realized goal, the Senior year is the final result of four grueling years, time spent working toward the valued diploma. While making preparations for either college or a vocation, the Senior is confronted with a myriad of activities, starting the year with the Ring Dance and ending with Class Night and graduation. The attempt to balance the increased responsibilities of studies with the newly developed independence of the adult is only one of the conflicts which must be encountered. Whether the student has resolved these conflicts will be revealed in the future as he goes forth realizing that during his years at H.H.S. he has received the background requisite for success.

Senior Class officers are, left to right: Suzanne Bailey, Corresponding Secretary; Will Harlan, President; Debbie Fowler, Recording Secretary; Tommy Leftwich, Vice-President; and Nancy Richeson, Treasurer.

Janet Kearchner and Dale Dennings are proud they're the cutest.

Faces of . . .

ATHLETICS

Seen in the sports realm at HHS are faces of hope, anguish, joy, pain, and finally victory. Each player on the field or court exerts skill to prove to others that he is tops in his field. Individual or team effort, endless hours of practice, and finally the activity itself show in the faces of the players when success is met.

Blue Devils Display Real Spirit

Football at H.H.S. began its season with a strong victory over Armstrong, a powerful team. Most spectators thought Hopewell to be a winning team this year, but the injury list became long, and the breaks turned bad. Although Coach Stallard and his staff couldn't produce champions this year they tried earnestly to win, and their efforts were truly appreciated. With new prospects and returning players Hopewell looks toward a new and better record next year.

Co-Captain, Charlie Aycock; Head Coach Jack Stallard; Co-Captain Bobby Arvin.

Gary Clay desperately fights for one more yard.

Panic stricken David Atkins scrambles for extra yardage.

One last diving attempt is made by Charlie Aycock to stop the opposition.

Pouring on speed, Joey Kidd breaks the tackle by his oncoming assailant.

Genuine Effort Exerted by Devils

Curtis Butterworth follows through after a fine punt.

Weaving through his prospective tacklers, Bobby Gay heads for the goal line.

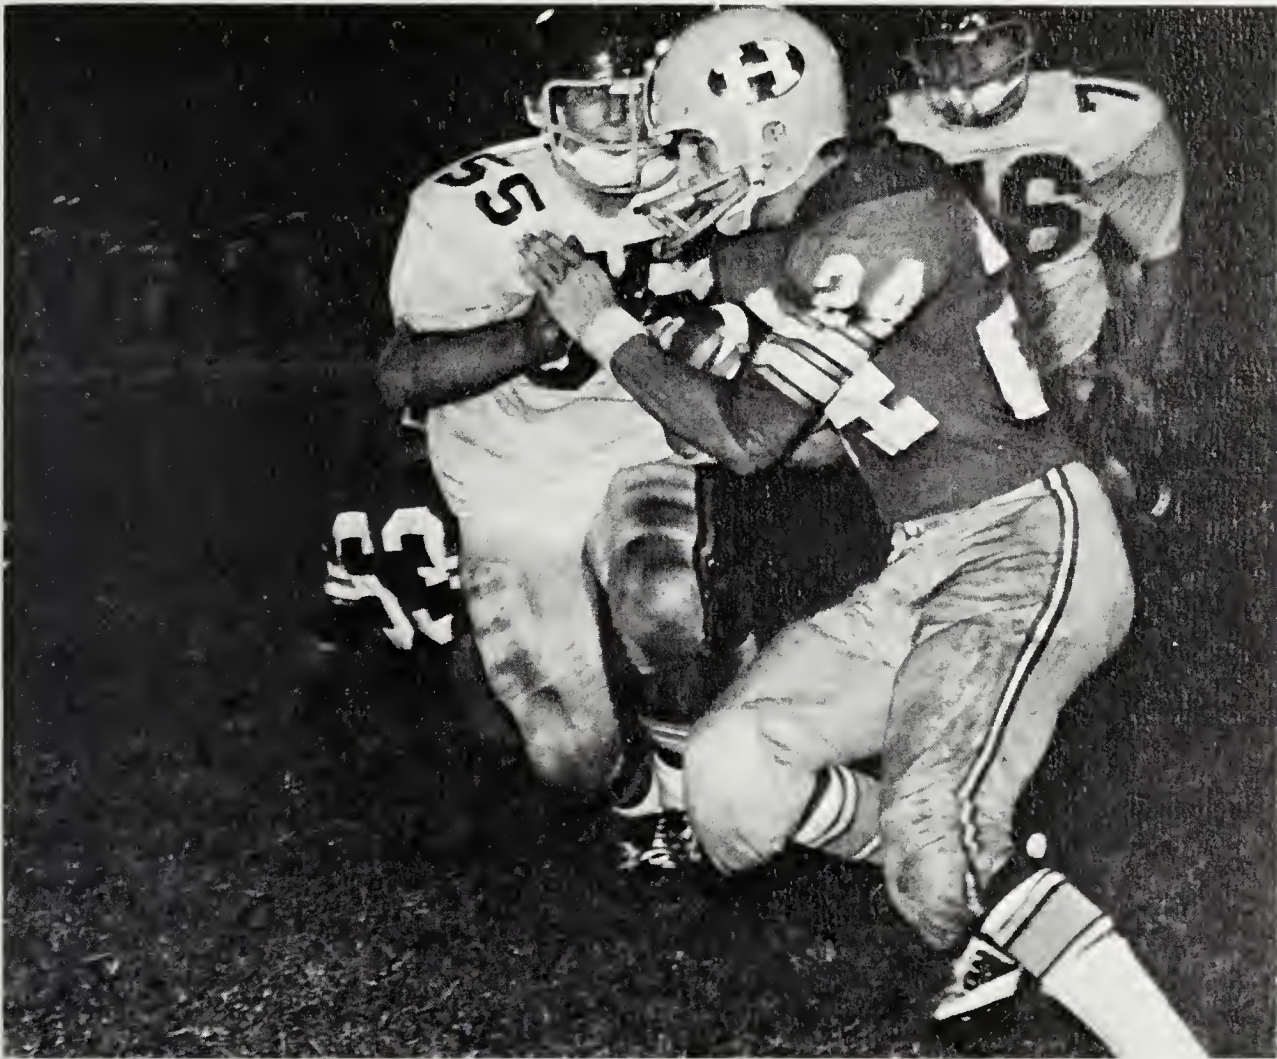

Billy Stevens makes the tackle while Willie McCray adds the finishing touch.

John Talley comes up for a quick stop.

Dropping back, Wayne Markham covers for a pass.

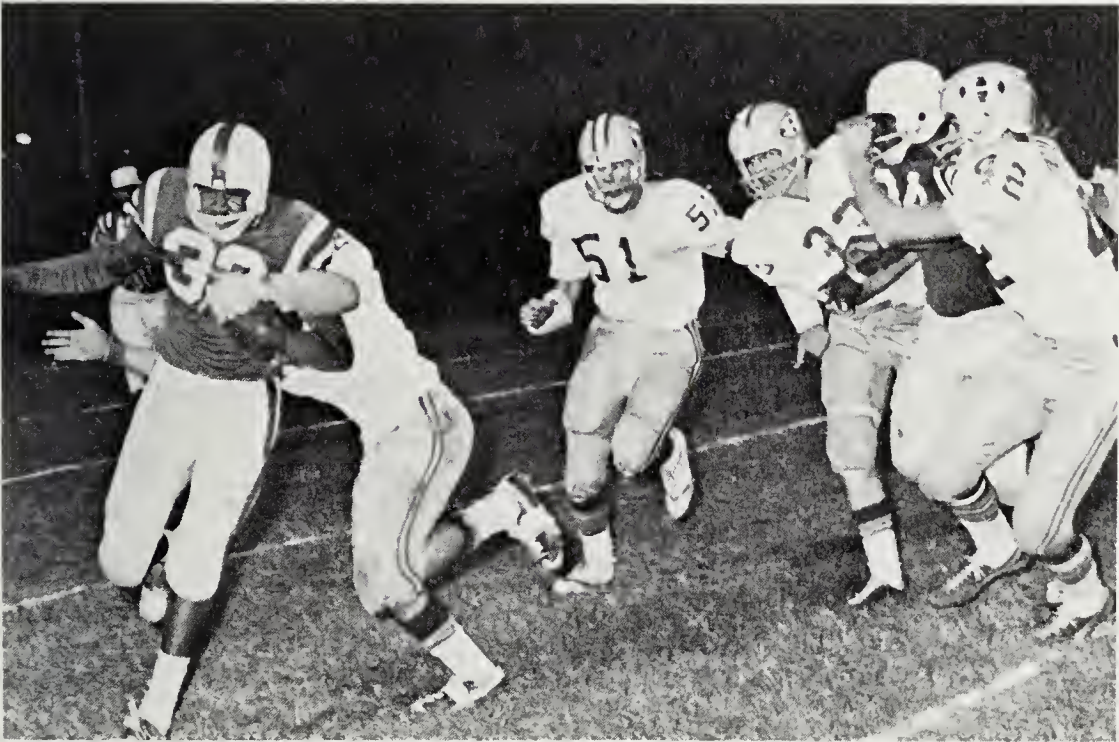

Monarch to the left, Monarch to the right, Skeeter Stanley runs out of room.

Devils Always Think "Winning"

If you think you are beaten,
you are.
If you think you dare not,
you don't.
If you'd like to win,
but think you can't
it's almost a cinch, you won't.
Life's battles don't always go to the
stronger or faster man,
But soon or late the man who wins is the
one who thinks he can.

Gary Clay appears confident of the referee's decision.

Coach Stallard demonstrates the way it is done.

Bernard Toner fights to the bitter end.

Jubilation is shown after a hard won victory.

B. Wilson struggles for the ball. Because of her hard work she has rightly earned her place as co-captain of the team.

Spirits High — Efforts Hard

This year the Hockey Team was unable to muster much of a record although spirits were high and efforts were hard. Coach Hanzlik is still determined for a much better season record next year with more experienced players.

First Row: R. Beaver and D. Jones. Second Row: D. Bailey and B. Wilson, co-captains. Third Row: J. Lenoir, M.J. Kephart, J. Kearchner, C. Duncan, P. Reese, P. Miles, S. Rafey, E. Lambert, P. Jones, S. Daniel, and E. Ameen.

Teamwork is very important to any team. Here we see this, while S. Rafey checks an opponent, D. Bailey gains control of the ball. B. Wilson stands ready if any other help is needed.

Kelly, the mascot, was the hockey team's most faithful fan.

Under the direction of Coach Bill Littlepage, the 1972 Blue Devils got off to a rousing start. The team tallied victory after victory, gaining momentum which culminated in a 117-58 defeat over Manchester. Only one blight marred the regular season scoreboard — a loss by our flu ridden team to arch rival Petersburg. One loss seemed to fire the Devils into making the remaining games no contests at all, ending in a smashing victory at Thomas Dale and making Hopewell regular season champions for the second consecutive year.

District Tournament found the Devils believing they were suspended in time, as they once again faced the Thomas Dale Knights at Colonial Heights and suffered repeated defeat. "We're number one" became the cry again after the Devil machine defeated Armstrong and rolled over Highland Springs to become the Central Regional Champions. The Champs headed for Charlottesville with high hopes and many fans. University Hall became the scene of the fulfillment of the ultimate goal as the Blue Devils took their rightful place as Virginia's finest by defeating Warwick and West Springfield.

Our Girl's Basketball Team showed good team effort and had much success with a record of eight wins and six losses. The good outside shooting and high average from the foul line made the scores. With many returning players and coach Lang, the team is shooting for first place next year.

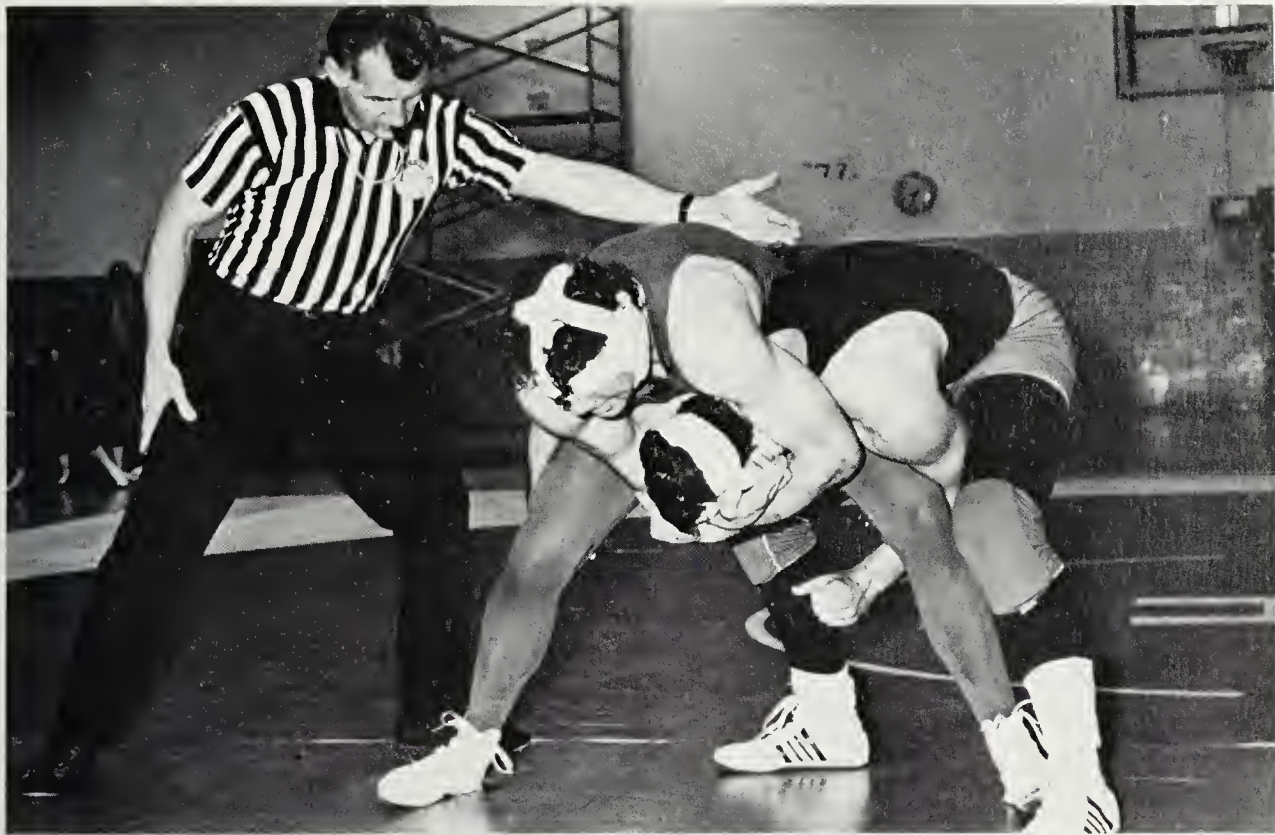

L. Orlando is one of the team's leading scorers.

R. Washington struggles to get the ball from an opponent.

Coach Lang points out to co-captains C. Carr and L. Orlando that this has been one of their best seasons.

Charlie Aycock keeps a headlock on his man.

Spirit and determination were the key words to the wrestling team's season in this, its second year at HHS. Organized by a new coach, Cliff Dameron, the team seemed to have more desire to win than ever before. Co-captains Mike McGowan and Earl Jones led their team through weeks of hard practice culminating in losses to Meadowbrook's veteran team and a down to the loss to Manchester. After Christmas practice things fared better for the Devils. Close losses to Dinwiddie and Colonial Heights were offset by wins over Prince George and Maggie Walker. Though the season might not be acclaimed as victorious by district standards, it marks the first time matches have been won by the Devils who are very proud of their victories and their team.

Hopewell's Devilettes softball team, meeting tough competition last season, was only able to manage four wins with five losses. Although they missed first place they ranked No. 1 in team spirit with strong enthusiasm and hard effort. With Coach Lang as prime director the girls received excellent coaching, learned team cooperation, and look forward to another good year.

Cross Country Runs in Fall — Track Meets in Spring

Team points continue to mount up as Fred Tetterton wins the pole vault competition.

"His hat is off," chants the crowd after "Rabbit" Williamson throws his hat and chalks up another two mile win.

Under the able direction of Coach Norvell Burrow the 1971 Track Team rated a better than average season and the Cross Country Team broke even. In the spring of 1971 HHS trackmen won four of seven meets in very hard fought contests, losing only to the power houses of the district. Lane Pritchard established an esteemed position on the team by rolling up 103 points — the highest total of an individual team member. Co-captains Nat Hamner and Randy Daniel led their team to a victorious season, exemplifying desire to win, determination and far surpassing the 2-5 record of 1970.

In its second year at HHS the Cross Country Team competed in four meets. Through a great team spirit, perserverance and individual performances by Robert Williamson the Cross Country Team has earned a permanent place in the sports world of HHS.

This year our golf team, under the direction of Coach Littlepage, demonstrated its marked ability with 16 wins, three losses and one tie. An outstanding player of the team, Pete Theodore, earned a ranking of sixth place in state-wide competition. With all the returning lettermen another winning team is expected.

Because of his excellent form and all around skill, P. Theodore ranked No. 1 on the Golf Team and sixth in the state.

S. Akers skill is shown with her strong serve which has gained her many points.

D. Kudelka's powerful return has defeated many opponents.

Coach Hanzlik's individual attention to each player has greatly improved the team and their overall skill.

Tennis Ranks Top in District

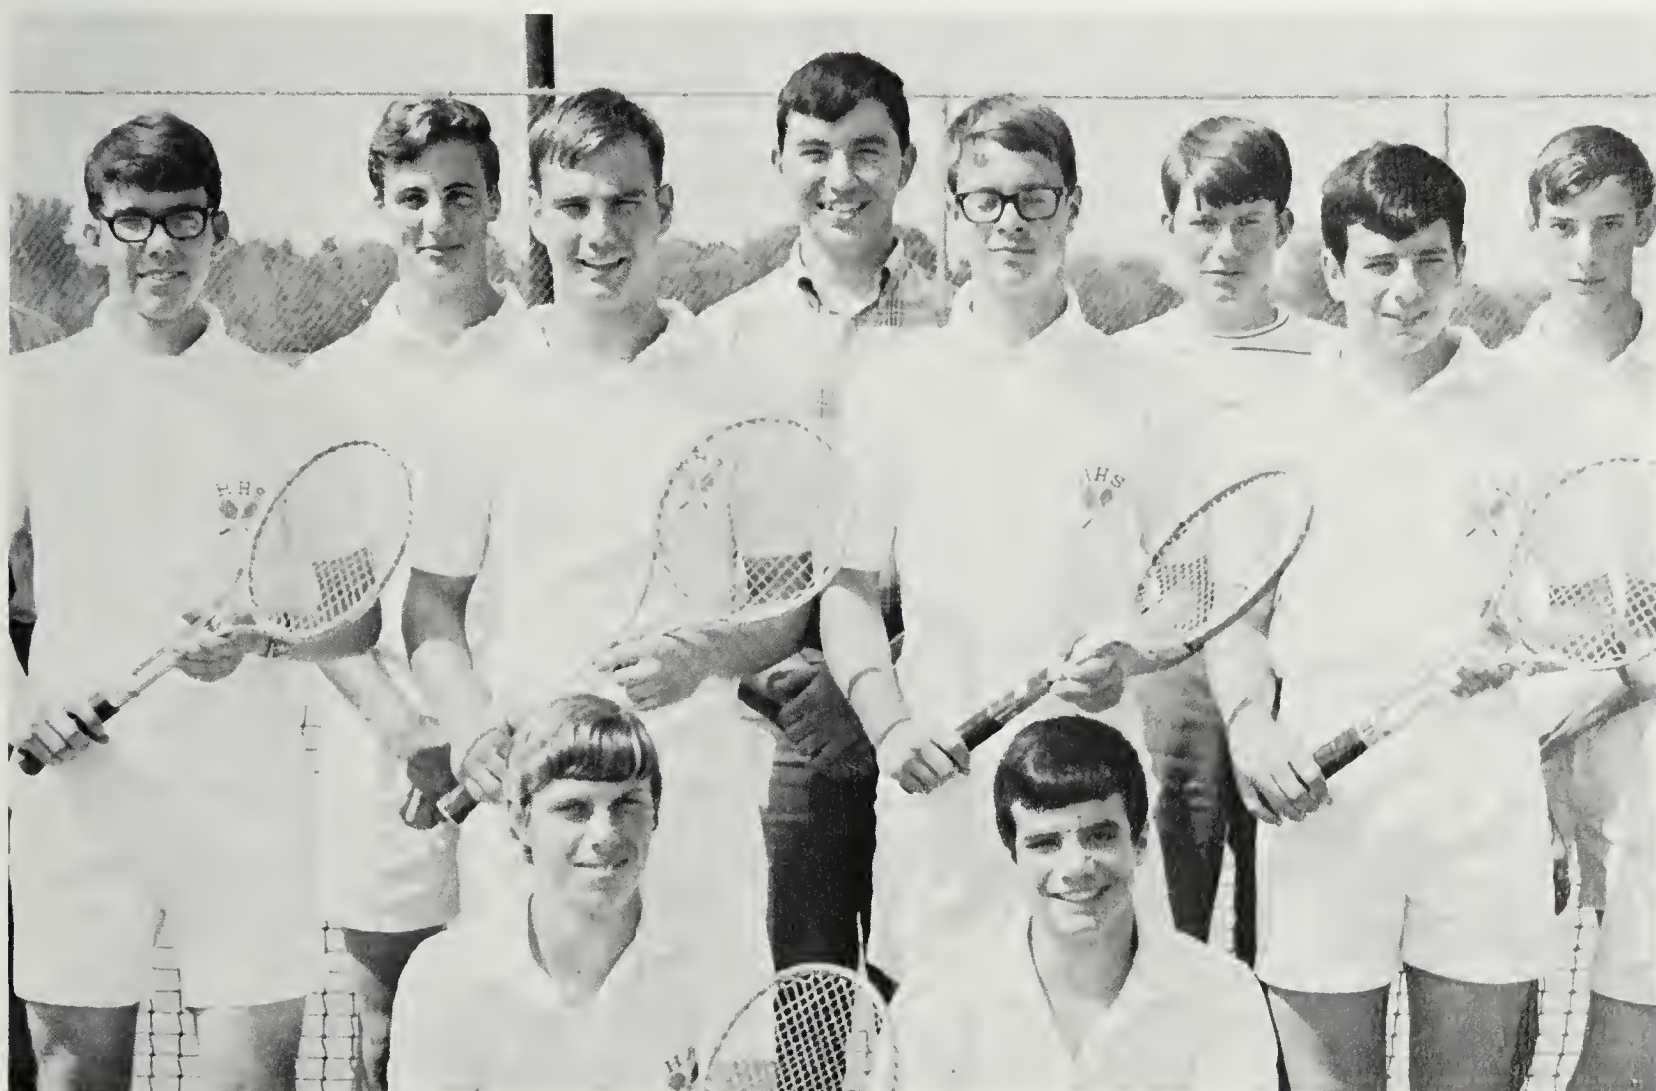

Ending the season with an undefeated record was this year's tennis team under the direction of Coach Fredrickson. Being a relatively new sport at HHS it has surpassed all expectations and went on to become Central District Champions. Returning lettermen and new prospects give Hopewell reason to anticipate another winning season.

Varsity Cheerleaders Spark Enthusiasm

Our cheerleaders provide the spark that ignites the fire of enthusiasm.

Expressed in the face and posture of Lauren Lee are all the qualities necessary for a head cheerleader.

Varsity cheerleaders dance to the traditional "Sweet Georgia Brown."

Dressed in their bonfire garb, the cheerleaders begin a chant.

Sherry Stallings was elected the HHS Spirit Devil by the student body.

Becky Wilson, Sherry Stallings, and Sharon Shornak add the finishing touches to Spirit Week.

Spectator enthusiasm was sparked throughout the year by Hopewell's spirited varsity cheerleaders. Large amounts of time and effort were involved in producing this year's outstanding cheerleading squad. Although each girl put in many hours of practice, Mrs. Baker, sponsor, and Lauren Lee, captain, deserve special recognition for their work this year.

Practice Led JV's to Successful Year

This J.V. cheering squad is composed of hard-working freshman and sophomore girls. They promote spirit and good sportsmanship at Junior Varsity games throughout the year. All these girls put in many afternoons of practice. This work resulted in an outstanding squad this year as in the past.

In Memory of — Thomas J. Lee

Thomas James Lee

The death of an old person is always sad, but when sudden death comes to viable youth, it is a tragedy. The students of Hopewell High School knew the meaning of tragedy on April 24, 1971, when one of their classmates died in an automobile accident. Tommy Lee was beloved of all who knew him. He was an outstanding athlete and a true friend. He will be sorely missed, and no one can ever replace him in our hearts.

The Blue Devils line up as Coach Stallard retires the number 40 in remembrance of fellow teammate Tommy Lee.

STUDENT LIFE

For a life to be complete, one must experience all the possible feelings. The smiles, anger, laughter, and the tears are what is seen upon a student's face. This section is dedicated to those students that have reached their fulfillment and the students to whom the real joy of school has reached.

Mrs. Hapstack and Sherry display their school spirit by becoming deeply involved at one of the pep rallies.

As president of the Senior Class, Will takes care of all class activities and presides over the meetings.

After spending most of the night working on the float, Sherry helps a tired Mrs. Spain clean up.

Stallings, Harlan Chosen Mr. and Miss Kaleidoscope

When she has some free time, Sherry may be found relaxing by playing a game of basketball in the gym.

Will carefully gives instructions on one of the most important parts of the float to some other Seniors.

Will takes time out of a busy day to enjoy one of the school's lunches.

Mr. and Miss Kaleidoscope are chosen by the Senior Class in the basis of outstanding service, leadership, and citizenship. This year's Miss Kaleidoscope, Sherry Stallings, is Hopewell High's Spirit Devil, and was crowned Homecoming Queen. She served as president of the Hopewell Youth Council. Will Harlan served this year as president of the Senior Class. Both were extremely active in all phases of school life.

Kaleidoscope Contestants Elected by Homerooms

Mr. and Miss Kaleidoscope contestants are nominated by Senior homerooms and voted on by the entire Senior class. They are assets to the school by spreading friendship, projecting, school spirit, and rendering services.

Because she had the highest academic record, Nancy Richeson was presented a trophy by Mr. Strosnider and Janie Pritchard.

Rather than being a popularity contest, the Hopewell Junior Miss is based on poise, personality, talent and scholastic achievement. Sponsored annually by the Hopewell Jaycees, this beneficial project provides the participating girls with much valuable experience.

Junior Miss contestants dance to the music, "Popsicle" as they display their poise and general appearance during the physical fitness portion of the pageant.

Sponsored by the Jaycees and Retail Merchants, and nominated by the Senior Class, Miss Noel reigns over all Christmas activities in Hopewell.

Preparing to board the Christmas float, Joanne Ortiz discusses the parade with Sue Bailey, Billie Saunders, and Jan Kearchner.

As runners up Jan Kearchner and Joanne Ortiz look on, Marvin Mathis crowns Robin Moss as Miss Noel, 1971.

After being crowned, Miss Noel and her runners up greet the public with a smile.

Donnie Carr, as Lil Abner Crabgrass and Mike Rasnick, as Michelle, delight the audience with their graceful walks.

For the first time at H.H.S., the Junior Class presented a Junior Miss-ter Pageant. Each boy selected a girl's name and was sponsored by a local merchant. The pageant had an all American theme and was directed by Mrs. Earlene Lampman. A benefit for the Class of '73, the pageant was a success.

Mary Anne Eure helps Hubert Brannan prepare for the contest by applying his make-up.

Exhibiting poise and charm, Ray McCall lives up to his name "Sexy Sadie".

Four of the eight semi-finalists smile at the judges one last time as they anxiously await the final decision.

Nancy Nugent and Bobby Pershing work after school to build props and decorate the stage.

"Once Upon A Mattress"

When they find that the prince has finally found a wife, the entire cast is thrilled.

Curtis Butterworth and Cheryl Burkey think of the past by singing "Yesterday I Loved You".

This year the 'Ole Blue Players and the Magpipes displayed their talents by presenting the Broadway hit, "Once Upon a Mattress". Taken from the fairy tale, "The Princess and the Pea", the play was a musical comedy. The plot concerned a crisis that arose in the kingdom because no one could be married until the prince found a wife.

After many weeks of long hours and tiring rehearsals the play come to the stage. Because of the hard work of the cast and the dedication of the directors, Mr. Haney Fayed and Mrs. Madeline Atkins, the play was considered a success.

As the ladies and their knights listen, Debi Kudelka sings of her terrible shyness.

"If you don't sit still, you're going to get hit," Linda Kramer tells Milton Chappell who would rather talk than have make-up applied.

The Prince, J.C. Stanley, quizzes Debi Kudelka to see if she can pass the test qualifying her to be his princess.

Hailed as Success

Jamie Roberts and Pat White discover that Milton Chappell, the deaf king, is telling them that Lady Larken is going to become a mother.

Cheryl Burkey mistakes Debi Kudelka for a chamber maid and scolds her for spilling water when the princess is due to arrive.

Surprised at how make-up changes his appearance, J.C. Stanley amazingly stares into the mirror.

Susan McBride discusses with Mike Mazzei, the wizard, what test they might conjure up to give the princess.

Debi Kudelka proves to J.C. Stanley that if the test depends on strength, she will win with flying colors.

As our last deadline approaches, the hectic world of layouts, body copy, hamburger breaks, late night packing sessions, and the mad rushes to the bus station draws to a close. We can now relax and reflect upon the many people who have helped make this yearbook possible. The first face which comes to mind is that of Mrs. Earlene Lampman, our editorial advisor, checking and rechecking layouts, body copy, and headlines. We are glad that Mrs. Lampman influenced our working habits and kept us on our toes when we had the "slumps", as well as guiding us through many a difficult trial. And of course, Mr. Malvin M. Utleys is our "man." He was always willing and ready to assist us with any editorial problem we may have encountered, and took control of the business department, always reminding us to keep our heads about expenses. We, as co-editors, felt very fortunate in having Mrs. Lampman and Mr. Utleys as our sponsors.

To develop pictures, write captions, draw layouts, identify pictures, and recopy pages requires many hours of hard work from many devoted staff members, all of whom could not possibly be mentioned here.

Faces beyond the staff seem to come into focus. Especially those of our faculty and administration. Special thanks is due to all of our teachers who patiently listened and understood our problems with deadlines — without their help our tasks would have been twice as burdensome. The face of Mr. Tom

MacMurray and his constant help with our photographic problems is especially poignant. Many more faces seem to stand out — those of our coaches. We would like to thank them for putting up with our constant pestering about scores and pictures. Our attention now turns to a fellow student, Ed Hatch, to whom special thanks is due for drawing the seal seen on the first page. And the book would not be complete without recognizing "Our Man From Hunter", Mr. John Perry, who attended us with never ending patience, fortitude, and helpfulness.

Our final thanks must go to these businesses and private organizations such as the Hopewell News and Mr. Alvin Jones for their constant photographic assistance and help. Yearbooks, like all publications, are expensive, and without the many faithful advertisers, there could be no KALEIDOSCOPE.

In conclusion, as we reflect upon this experience, we can see how this year's book has progressed into a review of the school year. Among the many changes are the use of spot color in the front and the new addition in the back, more modern layouts, and a departure from the traditional book. We will certainly look back on this year with sadness but with a feeling of great accomplishment, yet will look forward to the future with a hope for an even greater KALEIDOSCOPE, and a wonderful year for those who will come to replace us.

Salute to KALEIDOSCOPE 1972

Mr. John Perry, Hunter Publishing Company representative, explains the fundamentals of yearbooks to the 1972 KALEIDOSCOPE staff.

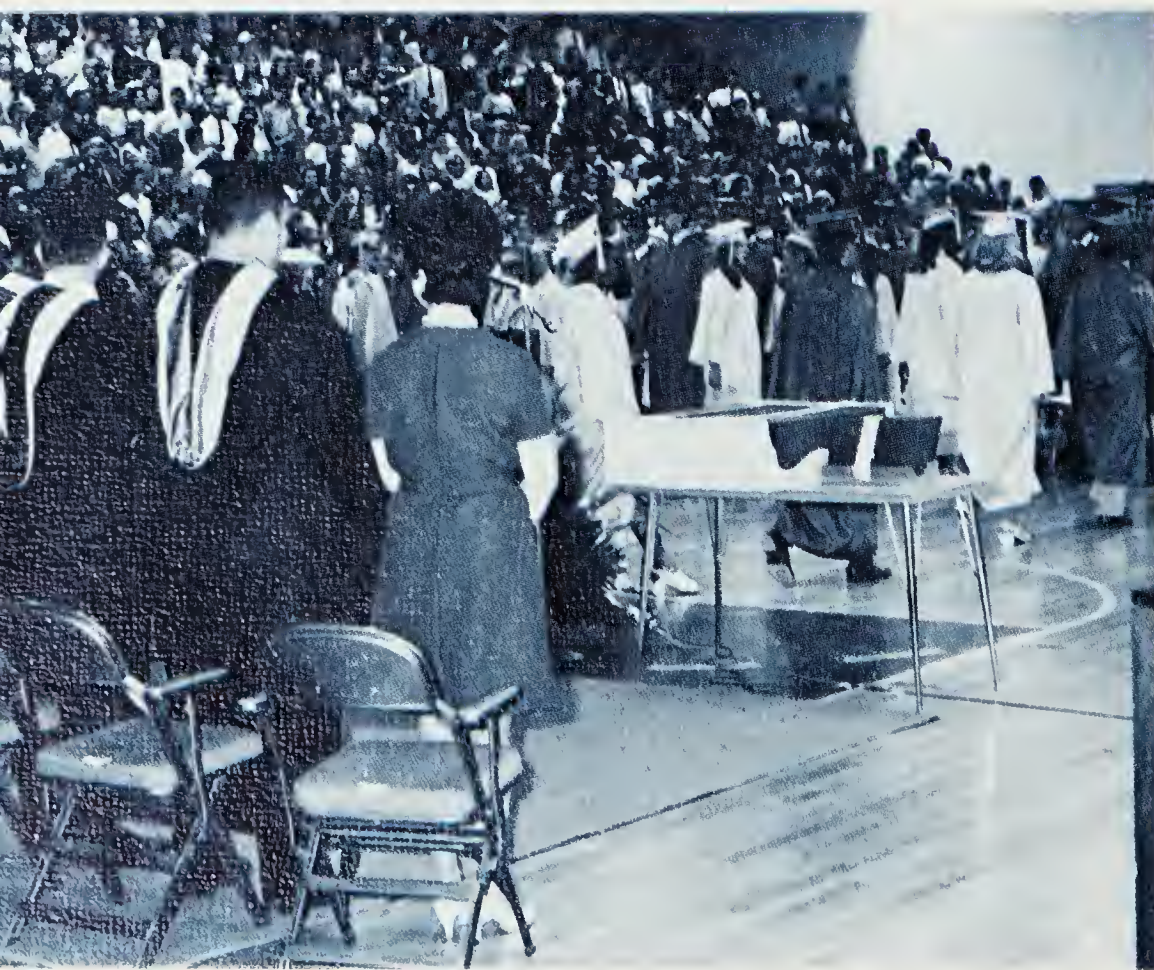

Activities Mirrored on Senior Faces

Activities of '72, the never to be forgotten year, are visible in the expressions of Seniors. Early in the year Seniors danced to "Everybody is a Star" and then began to work on the Float which won them first prize at the Homecoming Parade. In addition to just plain fun, the class of '72 had a senior dance with a Valentine theme. These add up to only a few activities in the faces of a senior year.

Seniors Receive Key to Face the Undetermined

Late in that final year, the faces of graduation appeared. Expressions and feelings were varied. As the class of '72 assembled in the gym for that final hour, one could see happiness and tears on Seniors faces. Though there were heavy hearts, each Senior gratefully received his diploma, realizing that with it he had the key to face the future.

Faces Dim and Blend with Future

Faces looking toward the future end another year at HHS. Graduates are eager to embark upon another one of life's journeys by beginning their careers, or by leaving for college. Though the future may be dim, each Senior goes forth, facing it with fond memories, knowledge, skill, and determination — all gained through the many faces at HHS.
